

COMPLIANCE WITH ETHICS GUIDELIENS

JOURNAL of EDUCATION, TECHNOLOGY and COMPUTER SCIENCE
<http://www.eti.ur.edu.pl/>

Academic Title, Author's/Co- author's First Name and Last Name:

Place of Work:

Phone No.:

E mail:

ORCID ID:

Title of the Article:

I assure the editors of the scientific journal that I am the author of the submitted article which:

- is completely original
- has not previously been published, nor is the subject of any other publishing procedures
- does not infringe the copyright of other authors
- it contains, in an appropriate manner, information about the authorship of the publication, its sources, funding, contribution from research institutions, associations and other entities.

I declare that I comply with the principles of publication ethics in accordance with the COPE guidelines.

I hereby submit an article to be printed in the scientific journal JETC published by Department of General Education and Educational Systems

I transfer the transferable copyright to the Department of Teacher Education in all the fields of exploitation enabling publication and reproduction in printed and electronic versions (including the website of the scientific journal JETC) and its publication in other integrated scientific information sources, including full text databases of scientific journals with the possibility of viewing, downloading and reproducing.

The copyright for articles is held by authors who distribute them in an open access system under the Creative Commons License for attribution (CC BY-SA 4. 0).
